Dear Janice

**The Sunday Times Top 600 State Primary Schools 2014**

As the 2014 calendar year draws to a close, I would like to warmly congratulate you, your staff team, your governors and children on your school being listed in the elite list of the country's top 200 primary schools. This reflects the tremendous quality of education children in your school receive and is a great credit to Toft Hill Primary School.

Thank you for being such wonderful ambassadors for County Durham and for putting us firmly on the national map of success. I was incredibly proud to see your school listed but I know this honour is well deserved.

Very well done once again. I wish you continued success in Toft Hill Primary School in the future.

Yours sincerely
